

Damon W. DeAment, DDS
Daniel J. Lill, DDS MS

Shenandoah Valley Orthodontics is pleased to support a variety of educational and community organizations through sponsorships and advertising.

1. All requests require a completed application form (page 2 of this document).
2. Due to the overwhelming sponsorship and advertising requests we receive, first priority will be given to patients who are currently in orthodontic treatment.
3. We appreciate the opportunity to sponsor your organization. We do ask for your understanding that it is not possible to approve all requests. As with any business, we have a budgeted amount to spend.

Thank you,
The Shenandoah Valley Orthodontics Team
